PATENT SHIPPING TAGS:
Over Two, Hundred Millions have been used within the past ten items, without complaint of loss by Tag becoming detached. They are more reliable for marking Cotton Bales than any Tag in use. All Express Companies use thom. Sold by Printers and Stationers everywhere. An interesting bit of news, in connection with affairs at Washington, is that the old, almost forgotten law authorizing the House of Representatives to call on the Secretary of the Treasury to approximate the secretary of the Treasury the secretary the secretary of the Treasury the secretary of the Treasury the secretary the pear personally before Congress and ex-plain his views is to be put in practice after the recess. If this statement prove arer the recess. If this statement prove true, Scoretary Richardson will be the first Cabinet Minister in our history called on to obey this law, which was originally adopted at the earnest request of the Hon. Alexander Hamilton, the first Secretary of the Treasury. This plan will prove to possess undeniable advantages in readuring more electrical provessions. advantages in rendering more clear the real meaning of the various statements put forth by the Treasury Department.

STRANGE, IF TRUE. - One cold. raw day in 1882, a young sergeant de service of the Trainor Palace, at the peril of his own life, dragged out of one of the artificial lakes in the grounds a half-drowned lad of ten years of age. A few days since that sargest de service, now days since that sergeant de service, now Marshal Bazaine, was sentenced to death by that boy, now Due d'Aumale, son of Louis, Phillippe and President of the court martial.
